Feedback:

Congratulations - you passed the Alteryx Designer Core Micro-Credential: General Knowledge certification exam!

If this is your first time passing this exam, you will need to accept your digital badge! Please be aware that it can take **up to 72 hours** to receive an email from admin@Credly.com to accept your badge. Once you receive the email, click on the link and create your Credly account. Accept your badge and start sharing! Learn more about digital badges [here](#).

If you haven't seen your email from Credly after 48 hours, be sure it wasn't caught in your junk folder.

Additionally, if this badge completes the Core Micro-Credential series (yay!!), your full Core badge will be issued from Credly within 72 hours of passing.

If you have just recertified, you will not receive an email from Credly; however, you will notice the expiration date on your Credly badge to be updated.

We'd love to hear your feedback on your Alteryx Certification and exam preparation journey! Please take our short survey to help us continue to improve our candidate experience.
